

# The Power of a Clear Path Forward

A unique, results-driven Coachsulting™ program to prepare aspiring executives for the demands and expectations of the C-suite and ensure success once in the role.

## Ascending to the C-Suite is not just another promotion.

Being an Officer of the company is an immense privilege and responsibility. Success in the position goes beyond functional expertise, stretching the executive intellectually and interpersonally.

## We ready you for the challenge:

### **Curated Network**

Gain insights and support from current and former executives who advise and educate.

### **Personal Brand Portfolio**

Put your strongest foot forward with a professionally crafted resume, bio, and LinkedIn update.

### **1:1 Coaching**

Accelerate your career goals and grow your executive capability with results-oriented, world class coaching tailored to you, your development and objectives.

### **Peer Advisory Group**

Harness the power of collective wisdom and expand your network with an invitation-only group of like-minded pros leveling up.

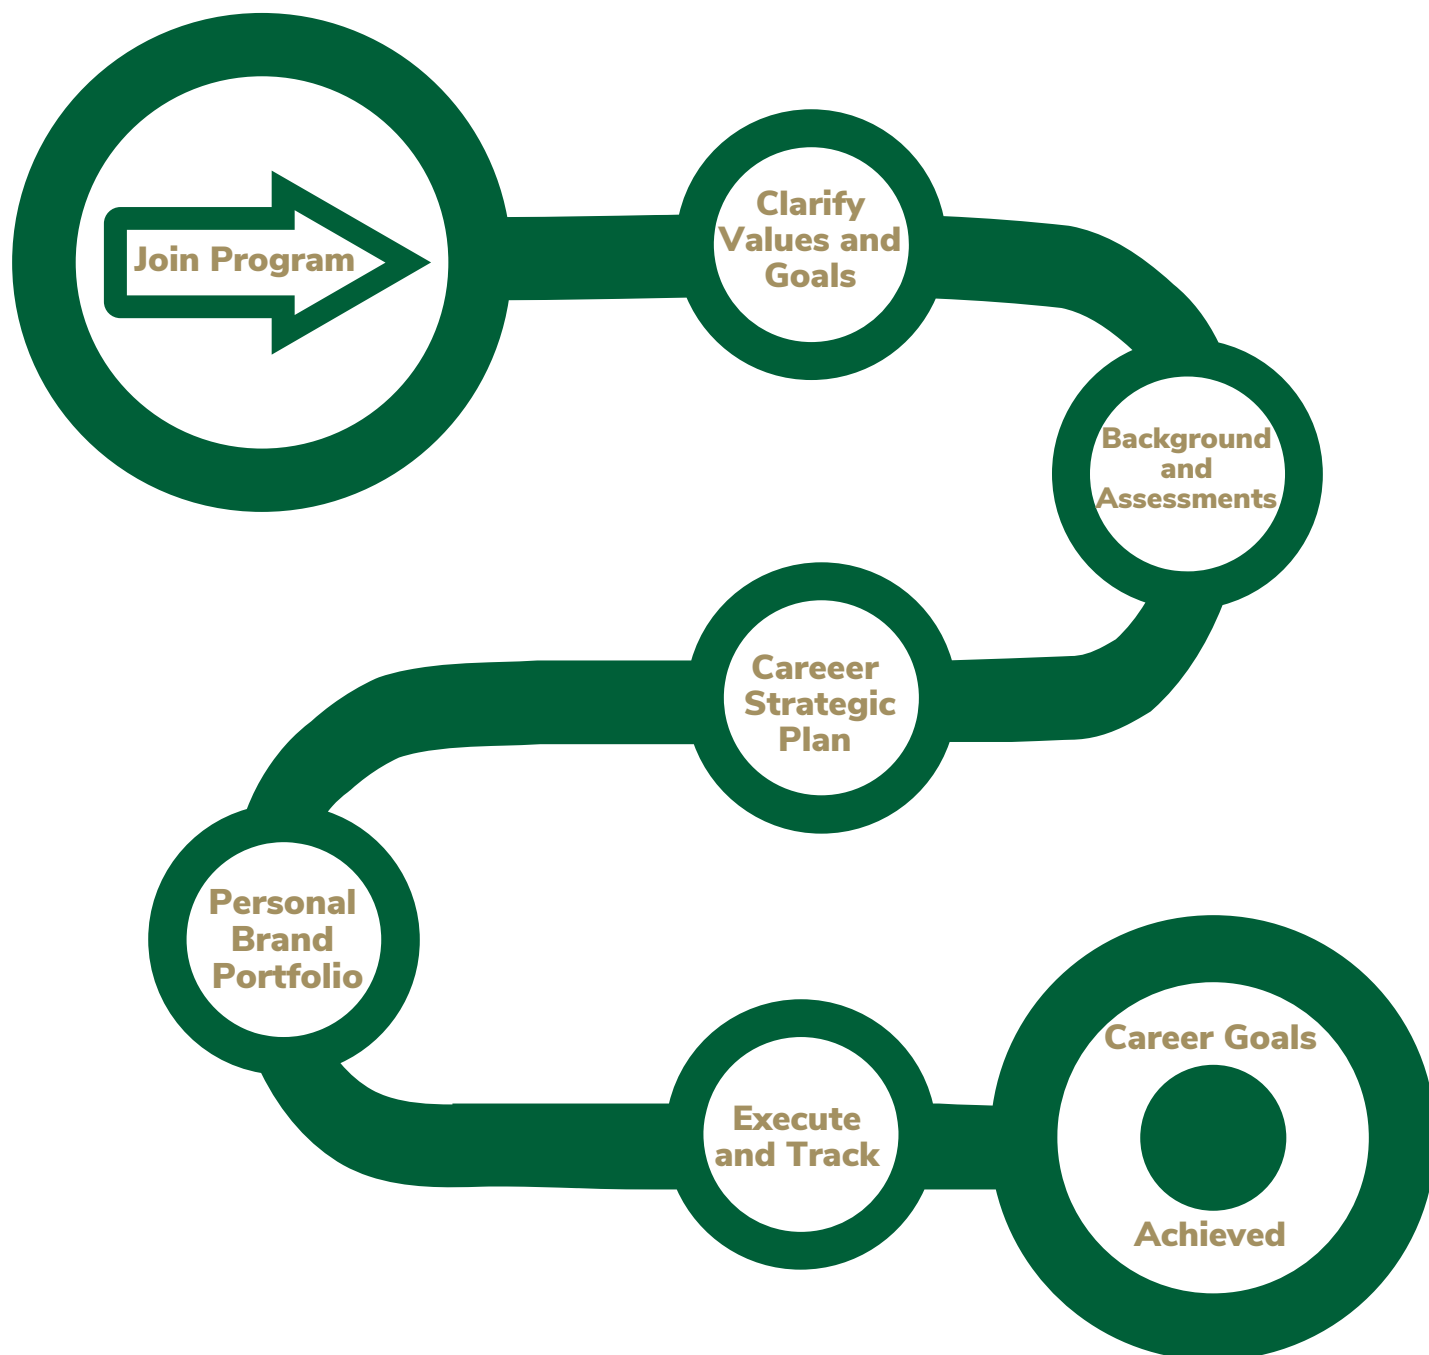

### **Data and Research**

Reinforce your value and address gaps and challenges with a 360° assessment, research-backed development guidance and complimentary access to Harvard Business Review.
